

Private Swim Lessons Request Form

Private & Adapted Aquatic Swim Lessons:

The private swim lesson program teaches confidence that kids need to be successful in the water. Private swim lessons are offered to members, age 3 and older and are set up to meet your specific goals. You or your child will have fun while learning how to swim or improving your strokes or technique.

Adapted Aquatics program, which is designed to aid in growth, development, and independence of children or adults with special needs and their caregivers in an aquatic environment. The participant may be mentally, physically or sensory challenged or persons with learning disabilities, autism or decreased coordination. If you would like to request private or adapted lessons, please completed this form and return to the Front Desk or call 985-0900 ext 143 for more information.
