General Rules

- The TriHealth Pavilion is meant to be a place of enjoyment for members. Therefore, all members should treat each other with respect and expect to be treated as such by others. Non-observance of the above may result in temporary exclusion or curtailment of membership privileges.
- All members use the Pavilion at their own risks. The Pavilion is not held responsible for any pre-existing conditions, athletic injuries or other injuries sustained while using the facilities of the club. Physician consent to commence an exercise program is strongly encouraged and in some instances, required.
- The use of all facilities is subject to posted rules and policies established by Pavilion Management. The rules contained herein are not inclusive. Amendments to the Pavilion Member Guidelines may be made at any time as deemed necessary. On all questions regarding the interpretation of Pavilion Member Guidelines, the decision of the Pavilion Management is final.
- As a proponent of healthy lifestyles and preventive health care, our environment is **smoke-free**. Smoking is not allowed on Pavilion property.
- Proper etiquette, language and courtesy are to be observed at all times. This includes following time restrictions on equipment or facilities where applicable.
- A member's obligation to pay monthly dues is not dependent on the availability of the Pavilion's facilities or equipment. Sport leagues, seminars, repairs and/or maintenance of the facilities may make it necessary for the Pavilion to restrict use of one or more of the facilities or to temporarily close the Pavilion, which will not reduce or suspend a membership obligation for payment of dues. It is our intent to notify members of these situations as far in advance as possible.
- **No photographs are permitted to be taken anywhere at or on the property of the TriHealth Fitness & Health Pavilion without advanced authorization from management.**
